WILBOR'S COMPOUND OF PERE COD-LIVER OIL AND LIME -The advantage of this compound over the plain oil is that the mauseating taste of the oil is entirely removed and the whole rendered palatable. The offensive taste of the oil has long acted as a great objection to its use; but in this form the trouble is obviated. A host of certificates might be given here to testify to the excellence and success of Wilbon's Cod-Liver Oil And LIME; but the fact that it is prescribed by the medical faculty is sufficient.
